2. The NCREA issued an Order dated April 2, 2013 directing that the Arbitrator determine matters relating to the Section 251(f)(2) Petition in two phases. In the first phase of the proceeding, the Arbitrator was directed to determine whether a suspension or modification of any of Star TMC's 47 U.S.C. § 251(b) obligations is necessary under the standards set forth in 47 U.S.C. § 251(f)(2). The second phase of the proceeding concerned the arbitration of an interconnection agreement between TWCIS (NC) and Star TMC.¹

3. Pursuant to the April 2, 2013 Order of the NCREA, the Arbitrator issued a Procedural Order on May 2, 2013. This Procedural Order provided for prefiled testimony to be submitted by the parties, the conduct of discovery between the parties, and other matters relating to the hearing on the Section 251(f)(2) Petition.

4. Subsequent to issuance of the Procedural Order, Star TMC has served discovery requests on TWCIS (NC) and TWCIS (NC) has responded with various objections and responses. The proceedings relating to these requests and objections are summarized in the Interim Procedural Order dated June 19, 2013 by the Arbitrator.

5. Subsequent to the matters reported in the Interim Procedural Order, the parties have continued to exchange information with the goal of narrowing the issues in dispute.

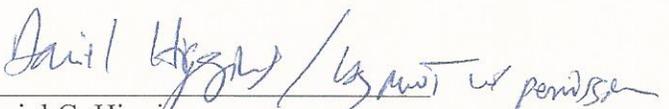

6. At present, the parties continue to work to resolve the open issues relating to Star's requests and TWCIS (NC)'s objections. As part of those efforts, the parties' representatives will conduct a conference call within the next few days (currently scheduled for Tuesday, March 25). When the parties resolve these issues, they will inform the Arbitrator and

¹ Subsequent to the issuance of that order, at the request of TWCIS (NC) the FCC issued an order preempting the jurisdiction of the NCREA over the arbitration of an interconnection agreement between TWCIS (NC) and Star TMC. The FCC's order effectively moots the second phase of this proceeding. At this time, the arbitration proceeding remains pending before the FCC.

request issuance of a revised procedural order to govern the remaining portions of this proceeding, including the filing of testimony by the parties, the time frame for discovery by TWCIS (NC), and the commencement of a hearing on Star's Section 251(f)(2) Petition. Should the parties be unable to resolve any of the current open issues, they will request that the Arbitrator rule on the issues and objections.
